

Dear Camp for Kidders,

Are you all in?!

We jolly well hope so!

2011 marks the 75<sup>th</sup> anniversary of Uni Camp for Kids and we're celebrating with a **Reunion Cocktail Party on the 8<sup>th</sup> of October.**

We'd be honoured to have you come along, meet with up with your long-lost UCFK mates and reminisce about those countless delirious days at an overheating campsite. While you may see a few fellow camp for kidders at weddings and around town, this is an opportunity for the camp 'family' to reunite in full!

Since 1936 Uni Camp for Kids has blossomed beyond all expectations. As our database of underprivileged children now exceeds 500, we have increased our annual picnics to four per year. In 2008 we offered an additional Winter Camp and in January of this year we held four instead of three summer camps.

Our guest speaker at the Cocktail Party will be the Hon Christian Porter, current Treasurer and Attorney General in WA, and past Uni Camp for Kids director. You will be entertained throughout the evening by a jazz band as well as the iconic Claremont band, Sunday Driver, combined with your favourite old camp tunes.

We've tried to contact as many ex-camp for kidders as possible but please spread the word to all your UCFK friends and let them know we'd love them to come along. We'd like to celebrate this momentous anniversary in style! Tickets are available from [www.lloydevents.com](http://www.lloydevents.com). Feel free to contact me at [ucfk75thanniversary@gmail.com](mailto:ucfk75thanniversary@gmail.com) with any queries or if you'd prefer not to purchase tickets over the internet. In the unfortunate event that you're unable to make it, but would like to make a donation in honour of this anniversary, please visit our website [www.unicampforkids.org.au](http://www.unicampforkids.org.au).

We cannot wait to catch up with Camp for Kidders from all eras and show you how Uni Camp for Kids has grown and developed.

We're all in!
