# Uni Camp for Kids

## Summer Camps!

### What is Uni Camp for Kids?

Uni Camp for Kids is a children's charity based at the University of Western Australia that runs camps and fun days out for kids that need a break and a chance to have fun. Camps involve 80 kids and 50 volunteers spending a week away to do all kinds of fun activities such as swimming, trampolining, water sliding and much much more.

### Why am I reading this letter?

You are reading this letter because your child or children you look after have been nominated to attend our summer camps. Unfortunately due to the high number of children nominated and financial constraints not all nominated are selected for camps.

### When do I find out if the child/children are attending?

NOVEMBER 5TH Camp invites will be mailed out. CHILDREN NOT SELECTED WILL NOT BE CONTACTED. If you receive an invite the child or children have been selected to attend one of our 3 camps and you need to fill out the permission form and return it by NOVEMBER 18th to secure their spot. **A spot on camp is only secured once the form is completed and returned.**

Any spots not secured by this date will be offered to children not selected in first round offers. This continues right up until the week before camp or all available spots are filled.
